This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

REGULATIONS

FOR THE

Election of Trustees.

EXTRACT FROM SECTION I. OF THE CHARTER OF AMHERST COLLEGE.

The number of members [of the Board of Trustees] including the President of said College shall never be greater than seventeen, and the five vacancies which shall first happen in the Board of Trustees shall be filled as they occur by the joint ballot of the Legislature in convention of both Houses; and whenever any person so drawn by the Legislature to fill such vacancy, or his successor, shall cease to be a member of the Corporation, his place shall be filled in like manner, and so on, forever. As vacancies shall occur in said Board, they shall be so filled that the said Board shall, as soon as may be, and forever after, consist of seven clergymen and ten laymen.

AN ACT passed by the Legislature of Massachusetts to provide for the election of certain Trustees of Amherst College by the graduates thereof. Approved by the Governor, April 28, 1874.

SECTION 1. The five Trustees of Amherst College heretofore chosen by the Legislature, shall hereafter be chosen by the graduates of said College.

SECTION 2. Whenever a vacancy shall occur among the five Trustees, the Board of Trustees of said College shall give notice thereof to the Society of the Alumni of said College, which, at its next annual commencement meeting thereafter, shall proceed to choose a Trustee to fill such vacancy, in such manner and under such regulations as may be determined by said Society, and shall return notice of such choice under the attestation of the Secretary thereof to the Board of Trustees, whereupon said Trustees shall declare such person so chosen, a member of said Board, and enter the same upon their records: *provided, however*, that said Society shall be open to all the graduates of said College: and *provided, further*, that no member thereof who is not also a graduate of said College, except members of the Faculty of said College who have become members of said Society of the Alumni, shall be entitled to vote under the provisions of this act, nor shall any graduate be entitled to vote prior to the fourth annual commencement after his graduation.

SECTION 3. The qualifications, tenure and forfeitures of office for the said five Trustees of said College, may be fixed by such rules as may be

adopted by the Board of Trustees, in concurrence with the Society aforesaid, and such rules, when once adopted, shall not be changed except by a two-thirds vote of said Board and of said Society at annual meetings thereof.

SECTION 4. All acts and parts of acts inconsistent herewith, are hereby repealed.

SECTION 5. This act shall not take effect until it is accepted by the Society of the Alumni, and the Board of Trustees of Amherst College, respectively, at meetings held for that purpose.

REGULATIONS

For the election of certain Trustees of Amherst College by the Alumni, adopted by the Society of the Alumni and by the Board of Trustees, July, 1874.

Whenever a vacancy shall occur among the five Trustees heretofore elected by the Legislature of Massachusetts, the Society of the Alumni of Amherst College shall fill such vacancy in the following manner:

Three inspectors of election shall be appointed by said Society at each annual meeting, whose duty it shall be to give notice in the month of April of each year, of such vacancy, to the Alumni entitled to vote for Trustees, and request them, on or before the 15th day of May, to nominate by written vote, over their own signature, three persons to fill each such vacancy, excluding the name of any member of the Faculty, who are not to be eligible to the office of Trustee, and the three persons receiving the highest number of votes shall be regarded as the nominees of the Alumni of Amherst College.

Said inspectors shall in the month of May, prior to each commencement, notify the Alumni entitled to vote for Trustees of said nominations, and request each of them to send a written vote to said committee over their own signature (unless they are to ballot in person at commencement), for so many Trustees as are to be elected, and whoever shall receive the highest number of votes and ballots shall be declared elected Trustee or Trustees.

The polls for the election of Trustees shall be open on Wednesday of commencement week from 10 to 12 o'clock in the morning. The place of election shall be in one of the College buildings at Amherst, to be selected by said inspectors from year to year, and notice of the same shall be given to the Alumni.

Said inspectors of election, or a majority of them, shall receive and count all votes and ballots, and without delay make a written return of the persons elected as Trustees, to the Secretary of the Society of the Alumni, who in turn shall forthwith notify in writing the Board of Trustees.

If any inspector shall die, resign, or fail to act for any reason, the remaining inspector or inspectors may fill his place. All notices to the Alumni herein required to be given shall be sent by mail.

Each Trustee elected by the Alumni shall be chosen for the period of five years, and after serving a full term of five years shall be eligible for re-election by the Alumni for another term of five years, but after a second term he shall not be again eligible for re-election till five years have intervened. If elected, however, for a shorter term than five years, said shorter term shall not be reckoned as a part of either of said full terms of five years.

If there shall be more than one Trustee to be elected at any commencement, except when an unexpired term of five years is to be filled, one Trustee shall be elected for the term of five years, and the other Trustees for such shorter term as shall be determined by the inspectors of election, in such manner that, ultimately, the term of office of one Trustee shall expire each year.

In case of the death, resignation, or inability to act of any of the inspectors of election, the remaining or surviving inspector or inspectors shall have full power and authority to act until another inspector or inspectors shall be appointed, as herein before provided.

In case of a tie vote for Trustees, the inspectors of election shall determine the choice by lot.

To the Alumni.

Any *errors* which may be found in this Catalogue must be imputed to unreliable sources of information, except where deaths have occurred since the Catalogue went to press.

It must be evident that such a Catalogue as this cannot be made accurate, unless each graduate communicates the requisite information respecting himself, either to the Registrar of the College or to the Secretary of his Class. Such information is, therefore, respectfully and urgently solicited.

The facts desired, which should be communicated promptly, without waiting for further inquiries to be made, are as follow:

(1) Changes of residence.

(2) Ordinations.

(3) Degrees of M.A., LL.B., M.D., PH.D., and all honorary degrees.

(4) Professorships in colleges and professional schools, with the name of the institution and the department in each instance.

(5) Present occupation: *i.e.*, whether pastor, acting pastor, licentiate or without charge; physician, lawyer, judge (and of what Court), teacher, editor, farmer, manufacturer, merchant, banker, broker, insurance agent, or government officer, &c., &c.

(6) The names of deceased graduates, with the year of death and the age, and any other facts appropriate for the Obituary Record of deceased graduates, which is published every year.

A list of the living alumni, with their post-office addresses, is to be published at intervals of two and one-half years. In order that notices of the election of Trustees, the annual and general catalogues, and other documents issued by the College may be received by all, notice of changes of street and number should be promptly sent to
